

Leenane Templeton

Chartered accountant + business advisors

Committed to your success

Six reasons to choose Leenane Templeton Chartered Accountants and Business Advisors

- 1 Our success is in the results** – Our business advisors and accountants have successfully helped hundreds of local companies to flourish, our advisors are in demand for their unique skills.
- 2 Our thinking and strategies are a fresh approach**, different from normal accounting firms. Our advice and assistance, although formal, has a unique flair that is results driven.
- 3 You are using some of the best accounting and business advisory staff** in the region, with a low staff turnover. You can build the relationship and trust you expect as well as having direct access to the partners.
- 4 You have the benefit of having all of your accounting and business needs available in one place** (as an example, we can even set up your Google adwords campaign!)
- 5 You will be taken through a step by step process** that will highlight the main areas to **ensure your success**. We are committed to your success.
- 6 You are joining a company that has a reputation for excellence and is award-winning.** Our clients tell us that our friendly and professional team really help their business strategies and above all – they get results!
